A note about the Orthodox Study Bible

**The book, chapter and verse numberings for some Old Testament books do not always match up among the Syriac translation of the Bible (Pheshitto), the Masoretic-based Old Testament (Common Jewish and Protestant Bibles, including NKJV and NIV), and the Greek Old Testament (Septuagint) from which the Orthodox Study Bible (OSB) is translated. The lectionary of the Malankara Orthodox Church is traditionally arranged according to the Pheshitto. If you read from an Orthodox Study Bible, note alternate numberings that may be highlighted*
